MPD

We don't want to have to cordon off the track between the finish line and the place gates, but there have been a lot of instances recently of riders crossing the path of riders as they are crossing the finish line. An accident could easily occur here, so lets take a bit more care here and wait until ALL riders have finished their race.

Please try and have some small notes or even the correct change when nominating for racing, it gets very frustrating taking a nomination for one sprocket and getting a \$50.00 for payment. When we have to race around after racing starts distributing change, it takes us away from other things we could be doing. A little forward planning will assist everyone.

That's my little whinge out of the way and I hope you enjoy the rest of the newsletter.

### Coaches Corner

It has been great to see so many riders at both training and racing during February. The new training sessions seem to be working well. It is only 8 weeks until the Nationals in Adelaide. All riders intending to compete should have their training plans in action. Remember training sessions will not include sprints therefore these need to be done in your own time. Keep up the great racing!!

### BMX Newspaper

February saw the introduction of XBR – extreme bicycle racing, the new newspaper of BMX. The brainchild of Gavin D Andrew (the man behind the calendar), issue 1 was full of useful info, state raps and nomination forms. Only 2 bucks an issue, so see Dave Tye to make sure you get your copy.

### State Tops

State tops to wear to the national titles are available for all this year. If you would like to purchase one (for about \$30.00 I think), please see Louise Tye before Thursday 23<sup>rd</sup> March.

### Portland BMX Club

I am including the dates for the club days at Portland, so that maybe we as a club could visit them for a few race meetings during the year. They are held on a Saturday afternoon, and it is only an hour away, and would be good for our riders and theirs. And who knows, they might visit us as well. There is a copy in our information window. April 1<sup>st</sup> & 22<sup>nd</sup> May 06<sup>th</sup> & 20<sup>th</sup> June 03<sup>rd</sup> & 17<sup>th</sup> Registration is at 130pm (Vic time).
