From The Prez

HI THERE

Well another year over & another successful one as well. We had a number of new riders, which is great to see, with a couple more due to start early in the 2006 season FATASTIC! This year we ran 2 major meetings SA VS VIC & 2005 STATE TITLES, which both went off extremely well & as a club we should be very proud of the way they were run. I've been to a lot of large BMX events & ours was up there with the best of them congratulations to all involved. Last of all I would like to congratulate all the riders who achieved a national & or state ranking this year including Victorian ranking. Well done excellent effort & keep it up in 06

Till next time!
Cheers from the prez.

Casual Committee Vacancy

Are you interested in assisting your committee next year?
 Are you good with people and have some good community contacts?
 Are you willing to work for a few weeks at the start and end of the year?

The committee is looking for a sponsorship/grants officer for 2006.

Your main duties will be to approach current and potential sponsors early in the year to gain their support for 2006, and then thank them at the end of the year. A couple of times during the year there are grants forms to be completed. The committee will supply relevant documents and support.

If you feel you can help out, please contact Marty or Chris.

Coaches Corner

This year has been an extremely successful one with training sessions including up to 30 riders at a session. We hope that you stay on your bikes throughout the break, enjoy and come back next year with renewed enthusiasm. Training sessions will change next year in order to train more effectively.

Sprockets: 4pm – 4.45pm
 Group 1: 4.45pm – 5.30pm
 Group 2: 5.30pm – 6.15pm

Groups 1&2 will train together the first week (Wed 1st Feb 2006, to establish these groups. **We ask that all riders leave the track promptly after their training session to allow the next session to start on time.**

Thanks for a great year.
