

News - Snippets - Goss - Other Stuff Stuff**WELCOME ALL NEW MEMBERS**

Since our last newsletter we have had a number of new families join our club. BLBMX Club would like welcome you all, and wish you all the best of luck in your racing.

**Special Thanks**

Former rider, Robert Farrar was kind enough to sell the club a new computer at a very good price, thank you Robert. His business SECnet is a local internet service provider, so if you are looking for a provider check out [www.secnet.com.au](http://www.secnet.com.au). He also runs the Vansittart Deli if you are hungry or thirsty.

**VOLUNTEERS....**

As we all know race days would not be possible without the much-needed assistance of volunteers, and for that we thank them. However, to avoid the same parents filling these positions every week we would like to ask that parents who are able to assist please mention this at registration so that racing can get underway on time. If we can share the work then everyone can get the opportunity to enjoy the racing. *New members please feel free to relax and settle in for as long as it takes until you feel comfortable in volunteering to help somewhere.*

**Safety Gear**

As we all know safety gear is very important to BMX, and all you senior riders can lead by example to the juniors. You know the drill, long sleeve top (tucked in), long socks, gloves in good condition and frame padding. Oh! I nearly forgot. A helmet is pretty important too!

*Isn't that right Mr Prez?*

**2006 Race Calendar**

I am considering including a mountain bike series in the 2006 racing calendar. Say 1 round per month over 6 months or so. Riders would need a current BMX licence. If you are interested please let me know sooner rather than later. You can email: [bluelakebmx@icisp.net.au](mailto:bluelakebmx@icisp.net.au)

**2006 Nationals**

Don't forget that the 2006 National Titles will be held on 5<sup>th</sup> – 7<sup>th</sup> of May and not over the Easter break as usual. Some club members have already booked their accommodation, so if you are considering going it may pay to book now.

**Cycle Sport News**

The hub of Australian Cycling

I was contacted last week by a staff member of the above website asking if I had seen this site. After taking a look and speaking with this guy I sent him the great SAVIC report done by Louise for The Border Watch and he posted it the same day. They are quite happy to post any racing reports (with pics) or promote upcoming events. It is a total cycling site covering everything from Penny Farthings to Mountain Bikes. On the left of the front page is a menu, and about two thirds of the way down is BMX. Click on that ad it takes you to a BMX page with the different states etc listed. Have a look around and see what you think. [www.cyclesportnews.com](http://www.cyclesportnews.com)

**Oh Dear**

By now most of will know that Leah Hull has a small incident on Saturday of the SAVIC weekend. We all wish Leah a speedy recovery, and the rumour is that Errol is a pretty handy in the kitchen (and not just washing up)

**Photo Wall & Rider Profiles**

While registering riders and hanging around the clubrooms all weekend, there were many good comments by visitors on our range of photos and rider's profiles. Well done Louise, I'm sure our riders enjoy seeing themselves up there.

**Club Committee**

With the AGM to be held mid September, now is the time to consider joining the Committee to help make a difference. None of the positions are hard, and with a good spread of members no one needs to spend their life doing BMX stuff. But remember, if you can't get to the monthly meetings it makes it hard for crucial decisions to be made. Speak to current members if you have any questions.

**Western Extreme Series**

The latest round was held in Bellarine last weekend, with a group of our riders attending & doing well. Check out our website for the latest scores. Warrnambool are the host of the next round on July 10<sup>th</sup> with the final round being held in Portland on August 07<sup>th</sup>. There is some talk about the Portland track not being ready. If this is the case we will be hosting that round, so we will keep you informed as soon as a decision has been made.

**Results**

Don't forget to check the information window for the results of the last series or fun day etc. These results are also posted on the club's website.

**Next Edition**

Our next edition will be for Spring. Any contributions are to be with Marty before August 26<sup>th</sup> please.

**Sponsors**

**Don't forget to support our club sponsors where possible, they are hard to get & we need to keep them**

### *From The Prez*

G'day all  
 The GT Bicycles Australian Country Championships & SA VS VIC weekend, what a blast! The weather held off & with the rain we had before the weekend the track came up fantastic. In the six years I have been involved in the Blue Lake BMX Club, I would have to say that this years' event would have been the best! The comments received from visiting competitors & spectators confirmed this. It made me very proud to be part of such a fantastic club, so on behalf of the BLBMX Club, I would like to thank everyone that helped out leading up to & during the event. This huge effort was what made this event the success that it was.

Till next time!

Cheers from the prez.

*Chris deNys*

30/08/2005	Michael	Milton

To avoid a \$20.00 late fee, make sure you renew your licence 2 weeks PRIOR to it expiring

### *Coaches Corner*

Congratulations to everyone in the club on a very successful SA/VIC meeting. Those who trained hard have reaped the rewards. The next few weeks we will focus on skills & fun before we start to train for the State Titles in October.

**Racing Tip** – plan and visualise your race in your head before the start of each race.

**Rider of the month** – Jaiden Bombski
